## About Newwealth Pty Ltd

Newwealth Pty Ltd (Newwealth) is an Australian private company which is wholly owned by Pekic Pty Ltd as trustee for Pekic Family Discretionary Trust and Mr Dejan Pekic is a beneficiary.

Newwealth was granted licence 231297 to operate as an Australian Financial Services Licensee under the Corporations Act 2001 from the 1st November 2003.

Newwealth permits its Financial Planner to select from a wide range of products that have been approved by our research process and assessed by independent research providers. The research contains extensive analysis, commentary, and opinions on securities (shares), professionally managed investments, fund managers and key staff, industry issues and detailed economic commentary.
